

BNL RETIRED EMPLOYEES ASSOCIATION
Monthly Meeting Minutes of March 13, 2007

Attendance: Elliot Auerbach, Graham Campbell, Alice Daly, Ronnie Evans, Renee Flack, Carol Kramer, Harriet Martin, Flo O'Brien, Arnie Peskin (V.P.), Richard Skelton, Myron Strongin (Pres.)

Myron Strongin, President, opened the meeting by calling on Harriet Martin, Rec. Sec'y., to read the minutes of February 13. The minutes were read and accepted. The Treasurer, Ken Mohring, who is presently away, sent a letter requesting clarification on amounts to be kept in certificates of deposit and in the checking account. It was agreed to continue with the previous amounts agreed upon.

There was then some discussion about who had keys to the office, and then a letter was read from a member about TIAA-CREF. It was decided that Myron would phone and advise the member to phone TIAA-CREF himself, as it concerned his pension. "BNL's 60th Anniversary" celebration on March 21, required all BNL organizations to meet at the "windsock" field, as was done last year, to spell it out so that a picture could be taken.

Myron then informed us that Sam Aronson, is scheduled to be in Japan at the time of our annual luncheon and would therefore be unable to attend. Carol thought that someone from the administration should welcome the luncheon attendees. After some discussion, Renee suggested that Sam be asked to send a telegram, which Myron would read, and then tell the audience about BREAA, and invite them to participate. The meeting was adjourned early so that the annual luncheon committee could have its picture taken for the BNL Bulletin.

The next meeting will be held on Tuesday, April 10, 2007.

Respectfully submitted by Harriet Z. Martin
