Selection of Officers

New officers were selected at this meeting. The following agreed to serve:

| | |
|-----------------------|-----------------------|
| President | Joyce Tichler |
| Vice President | Lou Jacobson |
| Secretary | Alyce Daly |
| Treasurer | Barney McAlary |

Barney McAlary reported that there were approximately 550 paid members.

Graham Campbell will continue to maintain the member database and put together the BREA Newsletter.

A representative to the Community Advisory Council is needed; Graham feels that a new face is needed.

Contacting other Long Island and National Laboratory Retirement Associations was discussed. It is reported that DOE is pressuring the administration to cut employee benefits. In addition, Alyce Daly noted that the proposed Medicare expansion legislation contains a clause that would enable employers to cut off benefits when an employee reaches 65.

The next meeting was set for Wednesday, 12 November in Building 475, Room #107. At that time, a Spring reunion will be discussed.
