Biography

It is with deep sadness that we announce the passing of our beloved father, great grandfather, grandfather, uncle and friend, HAROLD 'HAL" R. EULER, 89, of Las Cruces on Monday, March 15, 2010 at the Advanced Care Hospital of Southern New Mexico. He was born February 13, 1921 in Springfield Gardens, New York to Henry Euler and Frieda Mahlstead Euler. Mr. Euler retired from the Brookhaven National Laboratory (BNL) as an Architect; he was a member of the American Society of Architects and a member of the boards that designed the nuclear reactor at BNL and the Twin Towers at the World Trade Center.

Those left to mourn his passing include a son, John R. Euler and wife Mary K. of Las Cruces; a daughter, Eleanor P. Scavonne and husband Vincent of Mastic, New York. Other survivors include five grandsons; four great granddaughters; four great grandsons as well as numerous nieces and nephews. He was preceded in death by his parents; his wife, Martha "Motz" Euler; a brother, John H. Euler and a sister, Ruth Smith.

At Mr. Euler's request cremation has taken place, with a Celebration of Life and welcoming into the Kingdom of Heaven Service to be held Saturday, March 20, 2010 at 11 AM in Baca's Peace Chapel, 300 E. Boutz Road. Inurnment of cremains will take place at a later date in Salem, New York.

In lieu of flowers, donations in Hal's name may be made to your favorite charity.
