

The November/December issue of the BREA News is now posted on-line at

https://bera.bnl.gov/brea/wp-content/uploads/sites/22/2021/10/BreaNews2021_Issue6FINAL.pdf

This issue contains the information you will need to VOTE for BREA officers. We will be mailing print copies of this issue to ALL members. However, you may not want to wait for the arrival of the mailed copy to vote. We would like the voting to be completed by the December meeting. To speed things along, you may download the newsletter from the website and print the ballot.

This newsletter also includes a membership renewal form. BREA members who renew annually or every 5 years, and whose memberships are expiring, should complete the renewal form and return it with the requested funds.

Included in the president's message are some reminders about the procedures for maintaining the BNL retiree medical benefits through SelectQuoteSenior and Navia.

This BREA news also includes descriptions of summer travels contributed by four of our retirees.

The next meeting of BREA will be via ZOOM at 1 PM Eastern time on Tuesday 9 November. We hope to see you there.
